## Meet SCARE Volunteer Julianna Cullen!

By day, Julianna Cullen is a mild mannered Planner for the Travis County Sheriff's Office, but by night, she's an aerialist with Sky Candy!

The mother of three boys, ages 24, 17, and 12, Julie began volunteering with SCARE for a CURE in 2015.

**You may remember her as the Spider Queen in last year's haunt Dread Asylum.**

### Why Julie Gives to SCARE for a CURE

The event is fun, the cause is great, and the people are a blast.

It is nice to know that a portion of the proceeds from the event go back to the community through the [Breast Cancer Resource Center](#), and the community of Manor.

I was truly touched when the \$30K check was present to the BCRC.

There was no one there to help my mother or us, so to know that there is someone out there helping people manage their lives while suffering through this ordeal, touches my heart.

**I am not a strong enough person to do what the BCRC does, so to support them is a great honor.**

## Julie Wants You to Know

*SCARE for a CURE is a wonderful and giving event. There are so many people touched by this event, either through the Breast Cancer Resource Center, the community of Manor, people participating in the event, as well as going through the haunt. It is such a win/win for everyone.*
